Program: System Manager

Level Attempted: 100

Melchisedek Dulcio CpS 250 April 29, 2020

Program Report

Time Designing, Writing, and Debugging: 14 hours

Requirements Implementation Summary

The following requirements have been implemented:

• All requirements for 100 Level

Bug Summary

1. No known bugs.

Academic Integrity Report

By affixing my signature below, I certify that the accompanying work represents my own intellectual effort. Furthermore, I have received no outside help other than what is documented below and/or in program source code comments.
